LETTER: Hertz deserves election

We wish to express our sincere support for Sheriff Bob Hertz in the upcoming November election. Sheriff Hertz was instrumental to our neighbor with a recent clean-up effort.

He personally was there working and assisting in what needed to be done to assist us.

Sheriff Hertz is deeply dedicated and acts for the people of Madison County. Amidst budget cuts, he ensures that safety and public concerns are met for each and every citizen that he serves. He displays the "can do" attitude and ensures professionalism and integrity.
